

## **X-53i** | INCREASE YOUR DIGGING POWER

Unlike laser excavator systems, X-53i enables the operator to "see" his machine's exact position in relation to the site, enabling precise positioning over utility centerlines. In real time the operator can also see the position of the teeth of the bucket compared to the finish design which is very helpful in deep cuts, blind excavations or when working around structures.

### **FEATURES & BENEFITS:**

- Cut Grade Fast and Accurate the First Time
- Cut to Flat, Vertical and 3D Surfaces
- Bright, Easy-to-Use Color Touch Screen
- Fully Upgradeable
- Improves Job Safety
- Brings efficiency and productivity to any job

**SPECIAL PRICE ON TOPCON GPS  
INDICATE SYSTEM (X-53I)**
